Secretaries A.V. Sergeev; O.V. Zhilova

Secretariat: V.V. Glotov; A.S. Samofalova

Voronezh State Technical University, management of science and innovation, Moscovskiy prospekt, 14, Voronezh city, 394026, Russia. Tel.: +7 (473) 246 32 77

E-mail: aie@cchgeu.ru

<http://aie.cchgeu.ru>

We invite all specialists engaged in research in the field of alternative and intellectual energy to take part in the work of the first international scientific and practical conference to be held on December 6-8, 2018 in Voronezh on the basis of Voronezh State Technical University (VSTU).

The purpose of the conference- to demonstrate new developments and achievements in the energy sector, as well as to promote the strengthening of scientific contacts and business contacts between specialists.

Theme of the conference:

1. Hydrogen energy;
2. Solar energy;
3. Thermoelectric power;
4. Wind power;
5. Nuclear power;
6. Energy and ecology;
7. Functional materials for alternative energy;
8. Energy-saving technologies, systems, materials;
9. Intellectual energy;
10. New study programs on energy efficiency and alternative energy.

Both fundamental works and works of applied value are welcomed.

To participate in the conference it is necessary **to register** on the site <http://aie.cchgeu.ru>

By November 1, 2018, the following materials and documents should be submitted to the conference website by downloading ONLINE:

- personal information on all co-authors of the report (fill in when registering on the site)
- abstracts of the report (up to 2 fully completed pages, A4 format);
- Color scan of the expert opinion on the possibility of publishing the report in the open press;

- a copy of the receipt or payment order for payment of the registration fee.

Before the beginning of the conference, an electronic book of abstracts will be published.

Instructions and templates for the construction of abstracts are posted on the conference website. The program of the conference and the letter of acceptance of the reports abstracts will be sent to participants

until November 5, 2018

Registration fee

Registration fee for each participant with the publication of the report abstracts is 1,500 rubles. Registration fee for participation with the publication of the report abstracts and article in the journal DEStech Publications (indexed in the databases of Web of Science, EI (Citation and Compendex), CNKI Scholar) with a DOI number of 12,000 rubles.

Payment of the registration fee is made by transfer to the VSTU bank account. Details for payment and details of payment are on the conference website.

Registration fee includes access to all meetings of the conference, city tour, conference participant kit (conference program, pen, notebook, badge, participant certificate, souvenir, CD with electronic collection of abstracts), coffee breaks, informational support. Standard reg. fee does not include food, accommodation and transport expenses of the conference participants. For an additional fee for the conference participants, a gala dinner will be organized.

Abstracts and articles are accepted until **November 1**. Requirements for registration are on the conference website. For publications, contact the scientific secretaries of the conference (tel +7 (473) 2463277) or e-mail aie@cchgeu.ru

Accommodation

Participants will be accommodated in hotels in Voronezh (independently, not included in the registration fee). A list of closely located hotels can be found on the conference website.
